## AAC ID CARDS

All dogs must have an ID card to compete in AAC events. If your dog does not have an AAC ID card, go to aac.ca and register your dog before the trial. Allow up to 5 weeks. These cards are used to record the dog's height and eliminate the need for measuring when they have been signed by the required number of judges.

## ALL REGISTRANTS ARE REQUIRED TO ASSIST WITH THE TRIAL.

### AGILITY CLASS DESCRIPTIONS

Special Classes These classes are open to all dogs but are intended for dogs that are of a size or stature which limits their jumping ability. A dog may no longer compete in standard titling classes after being entered at an official trial in any Special class, except that they may move to Veterans.

Veteran Classes These classes shall be for dogs seven years of age or older that are currently competing in any Standard Agility Class and for dogs five years of age or older who have competed in the Specials Agility Class for a minimum of one calendar year.

Starters Standard Class The Starters Class shall be for dogs not having earned the Agility Dog of Canada (ADC) title. Dogs completing the course with three clear rounds, as defined by the Rules and Regulations, shall be awarded the ADC title.

Starters Games Classes The Starters Games Classes are open to all dogs that have not received two qualifying scores under two different judges in these classes or who have not earned their ADC title.

Gamblers Class This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible during the Opening Sequence and successfully compete the Gamble.

Team Relay Class This game demonstrates team spirit, strategy and sportsmanship. The course shall follow course guidelines for the relevant titling class. Each dog/handler team shall run one section of the course.

Jumpers Class This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of hurdles and tunnels as prescribed by the judge.

Steeplechase Class This game demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-Frame and weave poles and is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters levels.

*Note: There will be no refunds, cancellations or changes after the closing date. A dog that has entered a trial and subsequently earns a title shall be permitted to move up in class, as long as the Trial Secretary is notified outside of one week of the date of the trial.*
